Written Memorial Results Announcement

2025

Pursuant to Article 12(a) of the **Unwanted Witness Privacy Moot Court Competition Rules 2025**, we are honored to release the results of the **Written Memorial Stage** of the Competition rules 2025, today, **3rd September 2025**.

This year's competition, under the theme "*Safeguarding Personal Data in National Digital ID Systems*," has seen teams from **Uganda, Kenya, Tanzania, and Rwanda** engage deeply with one of the most pressing legal and societal challenges of our time.

We warmly congratulate the top-ranking teams from each country that have qualified for the **National Rounds**. At the same time, we extend our sincere appreciation to all participating teams. Your memorials reflected not only a strong grasp of **privacy as a fundamental right**, but also an impressive appreciation of **data protection as an evolving legal field**.

To the teams that did not progress further, we encourage you to take pride in your work and perseverance. Each submission contributed to enriching the discourse on digital rights and demonstrated the promise of a new generation of legal thinkers. We look forward to your continued engagement and urge you to return stronger in future editions.
